DECLARATION OF GLENDA LEE GREENE

Pursuant to 20 U.S.C. Section 1746, I, Glenda Lee Greene, declare as follows:

- 1. I voted at NRG Arena on October 21, 2020at 4:06 p.m..
- 2. I presented my valid Texas Driver's License as proof of identity and was permitted to vote.
 - 3. I am seventy-four (74) years old.
- 4. I have asthma and other health conditions and have been advised by my doctor to quarantine as much as practicable due to the danger of serious consequences if I should be infected by the Corona Virus 19. I also have difficulty

standing for long periods of time as I anticipated would be the case if I were to

vote in person in another manner.

5. I have proudly voted in every Presidential election since I turned

eighteen. I deeply believe in our Constitutional right to vote, and I would be

devastated and feel unjustly cheated if my vote were invalidated.

6. I relied on instructions from the Harris County Clerk that a drive-

through vote would be counted. Normally, I vote at my church down the street,

but I anticipated long lines there, where I would have difficulty standing. I initially

had planned to vote by mail, since I am so entitled due to my age, but due to the

potential difficulties with mail ballots, I chose to drive through vote. Because the

process involved a voting machine resembling the machines I am accustomed to

seeing at polling locations, and the staff who processed me pointed out it was just

like voting at the poll, I felt comfortable presuming my vote would be counted just

like any other early vote and would be included in the totals on election day.

7. I am very concerned about the effort to invalidate the ballot that I

cast. I have relied on the process for voting to cast that ballot and would not have

done so if it did not exist. I have made no plan at this time to vote on election day

as to do so would increase my risk of exposure to Covid-19.

I declare under penalty of perjury that the foregoing is true and correct. Executed

this 1st day of November 2020.
